Filene Music Scholarship

\$40,000 (\$10,000 each year) Competition is open to high school seniors who meet the criteria for

admissions to Skidmore College and who apply by January 15, 2011. Program does not require that scholarship winners major in Music.

More information available at <http://cms.skidmore.edu/music/scholarships/filene.cfm>.

Porter Presidential Scholarship in Science and Mathematics - 5 Scholarships are awarded each year

without regard to financial need. Each Porter Scholar receives a \$60,000 scholarship (\$15,000 per year).

To be considered you must respond to the Porter essay question on the Skidmore Supplement to the Common Application. Selection based on strength of their application for admission with emphasis on course work in science & math, standardized tests, teacher recommendations and pursuits in these areas beyond the classroom.

More information available at <http://cms.skidmore.edu/science/scholarships/porter.cfm>.

S3M Scholars Program - The Skidmore Scholars in Science and Mathematics (S³M) program will provide

support annually to 8 students. Student need will be met with a combination of grants, work study and

scholarship (without student loans) in the first two years and reduced loans in years three and four.

Scholarship recipients are not required to major in a science or math discipline, but must take at least one course in science or math each semester. Applicants who wish to be considered must respond to the science/mathematics question on the Skidmore Supplement to the Common Application, available

on Skidmore's Admission Web site or by contacting admissions.

More information available at <http://cms.skidmore.edu/science/scholarships/s3m.cfm>.
