Good Evening Camp Creek Families,

Last week our students had a blast participating in Hoops for Heart during connections time, selected 6th and 7th-grade female students participated in a Girls that Code activity in the media center, our students looked amazing during the Bow Ties and Pearls Dance, and our Chorus received superior ratings during LGPE. Please subscribe to Camp Creek Middle School AV Club's youtube channel to see the amazing work of our students and to view our morning announcements. <https://youtu.be/8E4wwd7JRhI>

We are currently accepting payments for 8th-grade activities, yearbook purchases, 8th-grade yearbook ads, 8th-grade poster picture, and Junior Classical League State Convention Fee in Rock Eagle.

Parents, please consider sending your rising female 7th and 8th graders to the upcoming TEC (Technology, Engineering & Computer) Camp, which will be held from June 10 – 14, 2019, on the Georgia Tech campus. This fun and interactive camp is hosted by the Georgia Tech Women in Engineering Program and is designed to introduce young girls to the exciting world of engineering with the hope of inspiring them to eventually consider college majors and careers as engineers. More information on the camp can be found in the attached flyer.
