

Good Evening Camp Creek Families,

Thank you to families that contributed to the October Snack and Chat and the families that assisted with the Silent Party Glow Party. Both events were a huge success and we look forward to offering more events. November's PBIS theme is cooperation. Students will be awarded Warrior Bucks by teachers for cooperative acts.

There will be no school on Tuesday, November 6th. Students should use this time to organize notebooks, makeup missing assignments, and begin upcoming assignments emailed by teachers.

Parents, please ensure that your student follows the Camp Creek dress code by wearing a black top every day with bottoms that are not in conflict with the Fulton County Schools' dress code i.e. no skin above the knee should be shown at any time. Students should always come to school with a fully charged Chromebook.

On Thursday, November 15th, our 7th Grade students will take a field trip to Emory University to visit the Michael C. Carlos Museum to deepen their learning of African and Asian civilizations.

Banneker HS Principal Dr. Duke Bradley and Westlake Principal Dr. Jamar Robinson cordially invite all Camp Creek MS 8th grade families to informational nights to learn about magnet opportunities for your rising 9th grader. Banneker HS phenomenal Junior Achievement Magnet Program will host Camp Creek families for two nights Thursday, November 8th for "Magnet Night" and Thursday, November 15th for "Application Night." "Magnet Night" is a time for families to have a behind the scenes look at Banneker's Junior Achievement Magnet program and to learn the benefits of Junior Achievement from the program director, current and former students, and business partners. "Application Night," will be a time for families to complete the magnet application and learn the timeline for acceptance. Junior Achievement is sponsored by the Chick-fil-a Cooperation that provides students with access to a rigorous education and real-world business experience with major corporations. I will be attending both nights to assist Camp Creek Families any way possible.

On Tuesday, November 13th, Westlake High School will host a prospective parent meeting to allow families the opportunity to learn about Westlake Magnet program and gain an understanding of the application process. Please plan to attend if you are interested in learning about Westlake Magnet program.

Should you have any questions or concerns at any point this school year, please do not hesitate to call, email or come in to see me.

Kind Regards,

Jarvis Adams, Principal
