March, 2017

Dear Parent/ Guardian:

We will be having a **Literacy** GA Milestones boot camp on **Saturday, March 24, 2018** and **Math** GA Milestone boot camp on **Saturday, April 14, 2018**. We are extremely excited about the opportunity to support our kids as they prepare for the state and district assessments. The GA Milestones boot camp is open to all students and will provide extra practice and support of the skills they will need to be successful on the assessment. The schedule of the activities planned that day is listed below.

**If you are interested in having your child participate in the GA Milestones boot camp**

- Please click on this [Boot Camp Registration](#) link to register your child online and this will serve as your permission slip.

**OR**

- Please sign the attached permission slip and return it to the front office by March 21st

In order for us to appropriately plan, students will not be able to participate without registering online **or** without a signed permission slip. Note-students may bring a snack to consume at the designated time indicated in the schedule below.
