A note from the cafeteria. Your dead line is approaching for meal application expiration. Remind your parents that a new application is required to stay on the free/reduced program.

Apple fun facts: Apples are a member of the rose family and there are an estimated 360,000 apple-bearing trees in Georgia! Did you know that apples float because 25% of their volume is air! Be sure to wear your favorite apple color tomorrow. The cafeteria will have a variety of apples for lunch and if you bring your lunch, be sure to pack an apple and join us as we Crunch 4 Lunch!
