MALEKEBU'S MONDAY

ALERT! ALERT? ALERT! Did you know that all of the nearby schools are planning on destroying us in basketball? Even now we see groups forming in the North, the South, and the East and the West. We are surrounded and we are outnumbered.

That's why we need YOU – both boys and girls, both big and small, to rise up and to enlist immediately with the Centennial Jr. Knights Basketball program.

Grab a pen and write this down as quickly as possible.

Tryouts are Saturday and Sunday October 5th and 6th.

Boys and girls Register online in advance at www.centennialjrbasketball.com

And start practicing immediately. Our school needs YOU!

(For more information, please see this week's newsletter.)

Media Center is waiting for you all in the mornings and during team time come to check out books, to work, play chess, draw, do origami, and much more.

New date for submissions for Reflections is now October 16th . Don't forget ! You get a free jar of candy with your submission ! Pick up submission guidelines and an entry form today from the media center and return by October 16th .

It's that time again for the Technology Fair. This year's Fulton County Technology Fair will be held on December 14, 2019 at Centennial High School. We want a winner on each grade level from Haynes Bridge to participate. So here is what you need to do:

- 1) Listen carefully to the morning announcements about the Technology Fair

2) Let Dr. Sutton – The Technology Liaison know that you want to participate. I will supply the paperwork. You can have a solo technology project option or you can have a partner.

3) Make a great project! Only one project per grade level is allowed so start early so that the Vanguard team (Ms. Farooqi, Mr. McCown, Dr. Sutton, or Ms. Rowley) can all make a decision! There will be a local prize for our top winners!!

Remember, December 14th is the date of the fair and listen carefully to the morning announcements.
