### **Galloway's words of wisdom**

Good morning, Eagles. This is Mrs. Galloway with a few words of wisdom.

Are you making things happen? Listen to these words:

There are three kinds of people in the world: those who make things happen, those who watch things happen and those who say 'What happened???'

So take a look. Are you in the game, on the sidelines, or asleep under the bleachers? Are you making sure you get the best grades you can, or are you sitting back and watching others do their best? Are you making new friends or watching others make new friends? Are you on time to class or are you late to class like some others?

American philosopher William James says: I will ACT as if what I DO makes a difference. And it does! So let's have 100 percent participation today. Be in action!

Today, remember this: you have the power to make good things happen for yourself and for others. Be powerful today, and make something special happen.

With something to think about, this is Mrs. Galloway. Make it a great day . . . or not. The choice is yours.

A note from the cafeteria. As we push forward to continue to feed all students we still have a few that have not submitted new meal applications. On Monday you will be a paying student so remember to have money in hand. If you are not sure if you have a new application please ask Ms. Tatum or have your parents call the cafeteria. Thank you so much.

New date for submissions for Reflections is now October 16th . Don't forget ! You get a free jar of candy with your submission ! Pick up submission guidelines and an entry form today from the media center and return by October 16th .

Tumbling Interest/Parent meeting Tuesday, September 24th in the media center. Open to males and females. You must have a physical on file to participate in Tumbling. If you have any questions, please see Mrs. Wattley or Mr. Hughley in room 35. We hope to see you there.

1, 2, 3-- SAY CHEESE!! Make sure you're yearbook picture ready Friday, September 27th. If your parents would like to purchase, please have them go to the Haynes Bridge website, click the "Photo Day" link, and pay before next Friday.

It's that time again for the Technology Fair. This year's Fulton County Technology Fair will be held on December 14, 2019 at Centennial High School. We want a winner on each grade level from Haynes Bridge to participate. So here is what you need to do:

- 1) Listen carefully to the morning announcements about the Technology Fair
- 2) Let Dr. Sutton – The Technology Liaison know that you want to participate. I will supply the paperwork. You can have a solo technology project option or you can have a partner.
- 3) Make a great project! Only one project per grade level is allowed so start early so that the Vanguard team (Ms. Farooqi, Mr. McCown, Dr. Sutton, or Ms. Rowley) can all make a decision! There will be a local prize for our top winners!!

Remember, December 14th is the date of the fair and listen carefully to the morning announcements.
