

Good morning Haynes Bridge! Welcome to HBTv. I'm \_\_\_ and I'm \_\_\_. Today is Friday **September 13th, 2019**. Students please stand for the pledge. (countdown before starting-3-2-1) We will now pause for a moment of silent reflection. (graphic will go up countdown before starting -3-2-1)

### **Galloway's words of wisdom**

Good morning, Eagles! This is Mrs. Galloway with a few words of wisdom.

Do you know what destiny is? Our destiny is basically our destination in life - where we are headed.

Someone once said that:

"Destiny is not a matter of chance, it is a matter of choice."

When you go on a vacation, your destination might be your grandmother's house or a campground. Your family chooses the destination, right? But today we're not talking about vacations. We're talking about where you are headed in life - not just in school, but in the big, wide world.

What destiny will you choose? Will you be a great teacher? Will you be a nurse or doctor? Maybe a gardener? Today, ask yourself what choices you need to make to get where you want to be tomorrow.

With something to think about, this is Mrs. Galloway. Make it a great day . . . or not. The choice is yours.

A note from the cafeteria. Your dead line is approaching for meal application expiration. Remind your parents that a new application is required to stay on the free/reduced program.

Today is Georgia Apple Day and we are celebrating with a Crunch 4 Lunch! We are going to Crunch into our apples together with students across the state. It will be the 'crunch heard round the state!'

New date for submissions for Reflections is now October 16th . Don't forget ! You get a free jar of candy with your submission ! Pick up submission guidelines and an entry form today from the media center and return by October 16th .

It's that time again for the Technology Fair. This year's Fulton County Technology Fair will be held on December 14, 2019 at Centennial High School. We want a winner on each grade level from Haynes Bridge to participate. So here is what you need to do:

- 1) Listen carefully to the morning announcements about the Technology Fair
- 2) Let Dr. Sutton – The Technology Liaison know that you want to participate. I will supply the paperwork. You can have a solo technology project option or you can have a partner.
- 3) Make a great project! Only one project per grade level is allowed so start early so that the Vanguard team (Ms. Farooqi, Mr. McCown, Dr. Sutton, or Ms. Rowley) can all make a decision! There will be a local prize for our top winners!!

Remember, December 14th is the date of the fair and listen carefully to the morning announcements.

### **SAT Word for September-**

Belligerent- hostile and aggressive

### **Character Word for September-**

Cooperation- the process of working together to the same end
