

National Junior Art Honor Society

Do your student love art? Do they want to be a part of an artistic community? Do they want to be involved in painting murals to make our school more beautiful?

Then they should join the HBMS National Junior Art Honor Society! NJAHS is a prestigious organization that helps young artists grow and help their community.

Our first meeting is TUESDAY Aug 27th at 8 AM in the art room (607) for more information!

Everyone is welcome!
