IMPORTANT INFORMATION FOR PARENTS

As we approach the upcoming holidays, candy, deserts, baked goods (store bought/homemade), or other edible items *are not* to be sold or distributed during school hours unless approved in advance by the administration. Students who do not adhere to this expectation are subject to disciplinary action for insubordination and all food items will be confiscated. Please discuss this expectation and possible consequences with your student(s).

This measure will help us maintain a safe environment for all students. You can help us protect your student(s) by requesting that they not eat anything given to them by another person, anything that they have not brought from your home or anything not in its original sealed package. Thank you for your continued partnership in keeping all of our students safe at school!
