

Carpool Procedures

Morning

Starting at 8:15am, incoming traffic that needs access to the Hopewell Visitor/Carpool lot should proceed down "School Drive" toward Cogburn Woods Elementary School. You will not be able to make a left turn into this lot.

No left turn permitted here after 8:15am

At the end of the median as you approach Cogburn Woods ES, make a U-Turn to come back up the single lane in order to make a right hand turn into the lot. This traffic pattern will continue until the carpool line is empty.

Make a U-Turn here in order to proceed back up toward HMS and then turn right into the Carpool/Visitor Lot

Afternoon

Starting at 3:30 until approximately 4:25, you will not be permitted to enter or exit the Hopewell Visitor Parking lot area unless you are in the carpool line.

Once the carpool line reaches School Drive, cars should begin to drive down to Cogburn Woods ES. Hopewell traffic should stay in the right lane and turn right at the end of the median toward the Cogburn Woods carpool lanes. Any incoming Cogburn Woods traffic should remain in the left lane and turn left at the end of the median and access the school by the bus area.

HMS traffic should stay to the right and drive around through the Cogburn Woods carpool lane and stop at the end of that loop. Cogburn Woods traffic should use the left lane and turn left toward the bus lanes

Until about 4:08, all Hopewell traffic should line up in the Cogburn Woods ES carpool lanes and can back up onto School Drive **using the right lane**. This should maintain a clear path for cars to approach Cogburn Woods for afterschool pickup and to exit the Cogburn Woods ES campus onto Cogburn Road using the single lane road on the right of the median.

At 4:08, Hopewell carpool traffic can begin to proceed up School Drive toward the Hopewell carpool lane. If you are picking up your child, we request that you remain in the carpool lane rather than park in the lot. **Students will not be permitted in the parking lot and you will not be permitted to exit the parking lot area until the carpool line has cleared,** so it is faster to get in the line.

Cars exiting Cogburn Woods ES will be delayed, but not stopped, from 4:08-4:25. Hopewell drivers are asked to be considerate of cars trying to exit Cogburn Woods and allow them to join the row of cars heading up toward Hopewell Middle School. All cars will stay to the right of the median.
