

Hopewell Middle School

Tutor List

The following list contains the names of persons who have indicated to us that they are interested in tutoring students. While we are happy to share this list with parents, we cannot make specific recommendations since different students are successful with different types of tutors.

Hopewell Middle School teachers' names are printed in bold type & grade level is shown beside their name. Local school policy does not permit teachers to tutor their own students.

Name	Subject	Phone Number/Email
