

Greetings Panther's Family!

My name is Morgan Luellen and I am very honored to be welcomed into the Panthers Family at Paul D. West Middle School as the Title I Parent Liaison. I am a graduate of University of West Georgia with a Bachelor of Arts in English Concentration. My goals are to become a Professor of English in college education and to become a chef and own my own restaurant. However, many of my short-term accomplishments such as having an excerpt in the famous novel *Monster's (n.)* has been completed. My hobbies include cooking and watching movies. Yes, I am a home body!

Moreover, I am very humbled to be the new Title I Parent Liaison as this position allows me to gain various perspectives from parents whom student's I soon will be teaching which will provoke and encourage myself to be an outstanding instructor in any classroom environment. Additionally, I am excited to offer new programs and opportunities to parents and students that will provoke an increase in parental involvement to further advance students throughout the school year!

Thank you, Paul D. West Middle School,

Morgan Luellen
