Dear Middle School Parents,

Intramurals will begin on Monday, September 11, 2017 and will end on Thursday, March 29, 2018. The program will start at 7:25am and will end at 8:25am, Monday thru Thursday. Intramurals are intended to supplement the regular physical education program, with the purpose of providing an opportunity for students who desire participation in physical activities beyond what is offered daily in our physical education classes. Students who participate in the intramural program will be exposed to the widest possible variety of sports, skills, and activities. This will offer students a chance to refine their interests and make choices to suit their personal abilities and needs.

Intramurals are a great way to get involved at school and meet tons of new people. If your child has not been involved in sports before, this is a great place to start. They don’t have to worry about trying out and wondering if they’ll “make it”. Please take the first step by signing the registration form and returning it to Coach Garrett in room A127. Regular attendance and proper behavior will ensure a fun, safe environment for all students. Students are expected to be on their best behavior, if not they will be removed from the program. **Remember that intramurals will take place in the morning before the start of school and no student can participate without a permission slip.**

It’s really easy! So what are you waiting for? Join intramurals and have some fun!

Sincerely,

Stephanie Garrett
