On Nov. 8 Fulton County voters will have the option to continue the one-cent sales tax for education. SPLOST IV will pay for renovations on existing schools, technology advancements, new buses, upgraded security systems, as well as furniture and equipment upgrades. The sales tax revenue would also pay for service bond debt, which was the primary method of funding capital needs prior to 1997. Find complete details on the SPLOST information site. Visit www.fultonschools.org/SPLOST4
