

121Reach Tutee Sign Up Form

General Information:

121Reach is a youth-led, non-profit tutoring organization where qualified high school tutors have the opportunity to mentor middle school tutees. At every biweekly, hour-long meeting, a tutor will be partnered with one or more tutees to oversee. In addition to academic assistance, tutors can give tutees advice on anything from how to survive high school to organization skills to useful study habits during these tutoring sessions. To strengthen the bonds between tutors and tutees, occasional festivities are held, usually two per semester.

121Reach meets on **Monday and Thursday afternoons** from **4:05PM to 5PM** in the **Taylor Road cafeteria**. Middle school tutees should remember to report straight to the cafeteria as soon as school ends on these days. We ask that parents pick up their children from Taylor Road Middle School's campus starting at 5PM and **no later than 5:15PM** to ensure that our sponsors can also get home as well. Please make sure that this is possible before signing up for this service. Our club sponsors are Ms. Sheppard at Taylor Road MS and Ms. Wile at Chattahoochee HS.
