

Mrs. Cousin began her teaching career in 2004 teaching sixth grade social studies and language arts - while coaching basketball and softball. After three years in Heard County, she accepted a position at Carrolton Junior High School. While in Carrolton, Mrs. Cousin was nominated for Teacher of the Year - as well as winning Region 6AA assistant softball coach of the year at Carrolton High School. She also earned a Master of Education degree in Educational Leadership and Specialist of Education degree in Administration and Supervision from the University of West Georgia.

Beginning in 2012, Mrs. Cousin spent five years in Fulton County at Elkins Pointe Middle School serving in many different capacities, including sixth-grade TAG science teacher, professional learning facilitator, RTI behavior intervention coach, TAG collaborative coach - and again being nominated as Teacher of the Year. This past year Ms. Cousin joined Hopewell Middle School as an Administrative Assistant with a focus in instructional coaching. Due to higher than normal enrollment, Hopewell earned a fourth Assistant Principal position for one year, and Ms. Cousin quickly transitioned into the role of Assistant Principal. Because of the temporary nature of the fourth Assistant Principal position, Ms. Cousin is now able to join our team at Taylor Road.

Ms. Cousin is married to Demetrik Cousin. They have a two-year-old son, Eli, and are expecting their second child in October. In her free time, she enjoys hiking and spending time with family in her hometown, Bowdon, Georgia. Ms. Cousin is very excited to join Taylor Road community!
