CLASSROOM RULES

#BeKind

Tickets and Tallies

PAWS Tickets
Early Pick-Up
Students may not be released to parents directly from the classroom. Parents must check in with the front desk prior to signing their child out early.

Late Drop-Off
Students must check in at the office for a tardy note if arrival is after 7:40.

Dismissal Changes
Cannot be accepted by email. Please either send in a note to the teacher or call the front office. Please address dismissal changes to block two teachers.
**Attendance Policy**

Please remember to send in a signed excuse notes via email or written note for any student absences.

When a student accumulates three (3) or more unexcused absences per month, the counselor will send an Absence Notification Letter.

If a student continues to be absent, the teacher and counselor will be notifying the assistant principal and will provide a copy of the Absence Notification Letter sent with a record of all absent dates for the year. The administration will then send a letter with subsequent referral to the Social Worker if absences continue.
Birthday Celebrations

Each day, birthdays are recognized on our closed circuit televised morning news show. Students receive a birthday pencil from the administrative team on their special day.

Students may bring in an edible birthday treat. The Block Two teacher must have the list of ingredients 48 hours in advance to send out to the class.

Treats will be distributed during Block Two time.
Homework is assigned Monday – Thursday.

Homework will not exceed 40 min (including independent reading).

If you are noticing an issue with your child not being able to complete his/her homework in the allocated time period, please stop him/her and let the teacher know.

**Reading:**
- Nightly Reading
- Session Homework

**Math:**
- Weekly iReady lessons
- Spiral Review coming soon
- Study Guides

**Science and Social Studies:**
- Study Guides
Students will participate in 45 minutes a week of iReady practice in both reading and math. This can be completed at home or at school.

Please be sure your child has personal headphones or earbuds in their backpacks at all times. We encourage them not to be an expensive set that a child would be upset about if lost or broken. Dollar store or Walmart brands are fine.
A = 90-100
B = 80-89
C = 70-79
F = below 70

Assignments are weighted as follows…

50% = Summative
50% = Formative

If you have any questions about a grade, please do not hesitate to ask the teacher who assigned the work.

In addition, parents can access their child's grades anytime on Infinite Campus.

Graded papers will come home every other Friday.
Assessment Recovery Policy

• Students scoring 69% or lower on a UNIT TEST have an opportunity to recover the test.

• You will be notified if your child receives 69% or lower on an assessment, and the teacher will provide support and resources for how you can support at home.

• Students can only recover up to a final grade of 70%, regardless of the “retest” grade. Scores will not be averaged, but will students receive the highest grade earned. The maximum score possible is 70%.

• Students will only receive one opportunity to recover.
• **Communication**- The 5th grade teachers will provide communications via a weekly Friday email. This email will reference our grade level website.

    BFES5thGradeLearning.weebly.com
    (next slide)

This website will have all study guides, handouts, and curriculum information about our current units.

• **Preferred Communication**- Our preferred method of communication is email. This is the best way to reach us.
• Study guides will be sent home with students at the start of each new unit in the subjects of Math, Social Studies, and Science.

• A copy of the study guide and the answer key will be posted on the 5th grade website.

• Students should work on the study guides at home or in their spare time. Study guides will be reviewed in class.
You must complete volunteer training online before you can volunteer in the school.

It takes 48 hours after you have taken the training to be approved.

Once completing the training, it lasts 2 years.

Check with the front desk for more information!
CAMP JEKYLL FIELD TRIP:

November 11th-13th

We leave early before school on Monday, and we return Wednesday afternoon.

Informational packet and meeting coming soon!

We need chaperones for this!
Please consider coming!!!
End of Homeroom Presentation
MATH

FIRST SEMESTER:

Unit 1 (A/B) Order of Operations and Whole Numbers
Unit 2 Adding and Subtracting with Decimals
Unit 3 Multiplying and Dividing with Decimals
Unit 4 (A/B) Add, Subtract, Multiply, Divide Fractions

SECOND SEMESTER:

Unit 5 2D Figures
Unit 6 Volume and Measurement
Unit 7 Geometry and Coordinate Plane
