**Elementary School**
**Digital Learning Day**
**2018 - 2019**

Circle and Complete 3 (three) Activities from Below:

<table>
<thead>
<tr>
<th><strong>SIGHT WORD SEARCH</strong></th>
<th><strong>iRead</strong></th>
<th><strong>Go on a hunt for different types of living and nonliving items in and around your house and draw a picture or make a list of what you discover.</strong></th>
</tr>
</thead>
<tbody>
<tr>
<td>Use the attached sight word list to go on a SW Scavenger Hunt around your home! Cut out words and pictures that you find in newspapers and magazines and make a collage.</td>
<td><strong>Work for at least 20-40 minute. The goal is to complete at least 2 sessions with 80% mastery or higher.</strong></td>
<td>Login through Launchpad from any device. Functions best with Google Chrome browser, requires Adobe Flash.</td>
</tr>
<tr>
<td><strong>i-Ready</strong></td>
<td><strong>Brain POP</strong></td>
<td><strong>Login through Launchpad from any device.</strong></td>
</tr>
<tr>
<td>Login through Launchpad from any device. Click on the iReady Math icon, and work through at least 2 lessons and obtain at least 80% mastery or higher.</td>
<td>Read for 20 minutes using either a book at home or selecting a book from MackinVia on Launchpad.</td>
<td>1. Watch a video on a Social Studies or Science topic you learned about. 2. Take a “Graded” quiz.</td>
</tr>
<tr>
<td><strong>Keyboarding</strong></td>
<td><strong>Complete one 20 minute session.</strong></td>
<td>Count and draw the number of windows in your home. Add the number of doors in your home. How many windows and doors are there in your home all together? Draw a picture to illustrate the total number of doors &amp; windows.</td>
</tr>
<tr>
<td>Allow your learner to choose a measurement tool (cubes, counters, dominoes, craft sticks, etc. all work well) &amp; estimate/measure 5 objects.</td>
<td>Login through Launchpad from any device. Works best using Google Chrome browser. Compatible devices: Laptop, Desktop, or an iPad or tablet with a full external keyboard.</td>
<td></td>
</tr>

Circle and Complete 3 (three) Activities from Below:

<table>
<thead>
<tr>
<th>Activity</th>
<th>Details</th>
</tr>
</thead>
<tbody>
<tr>
<td>Find three items in a grocery store advertisement that are sold in packages of equal amounts, for example, six-packs of soda or packages of eight hotdogs. For each item, decide how many packages you want to buy and write a multiplication problem to figure it out of how many of each item you will have.</td>
<td>Be a problem solver! Create an invention that solves a problem. Draw your invention and describe in words what it does and how it helps.</td>
</tr>
<tr>
<td>Be a problem solver! Create an invention that solves a problem. Draw your invention and describe in words what it does and how it helps.</td>
<td>Login through Launchpad from an any device. Functions best with Google Chrome browser, requires Adobe Flash.</td>
</tr>
<tr>
<td>i-Ready</td>
<td>Read for 20 minutes using either a book at home or selecting a book from MackinVia on Launchpad.</td>
</tr>
<tr>
<td>Login through Launchpad from any device. Click on the iReady Math icon, and work through at least 2 lessons and obtain at least 80% mastery or higher.</td>
<td>Login through Launchpad from any device. 1. Watch a video on a Social Studies or Science topic you learned about. 2. Take a “Graded” quiz.</td>
</tr>
<tr>
<td>Create an opinion writing to persuade the principal to include more digital learning days into the school calendar. Brainstorm 3 strong reasons, and write at least 3 paragraphs to explain your point of view.</td>
<td>Use the objects and family members around your home to write 2 addition word problems and 2 subtraction word problems. Have a family member solve the word problem. Check if it is correct and explain to the family member why it is correct.</td>
</tr>
<tr>
<td>Keyboarding</td>
<td>Login through Launchpad from any device. Works best using Google Chrome browser. Compatible devices: Laptop, Desktop, or an iPad or tablet with a full external keyboard.</td>
</tr>
</tbody>

Deadline for Completion:
## Elementary School

### Digital Learning Day

**2018 - 2019**

**Circle and Complete 3 (three) Activities from Below:**

### Reading Fluency & Comprehension

**Complete at least two ELA lessons to obtain at least 80% mastery or higher.**

Login through Launchpad from any device. Functions best with Google Chrome browser, requires Adobe Flash.

Create an opinion writing to persuade the principal to include more digital learning days into the school calendar. Brainstorm 3 strong reasons, and write at least 3 paragraphs to explain your point of view.

### Mathematics

**Complete at least two Math lessons to obtain at least 80% mastery or higher.**

Login through Launchpad from any device. Functions best with Google Chrome browser, requires Adobe Flash.

Create an anchor chart for writing a good paragraph. Make sure to include the questions that every good writer should ask as they begin to write a paragraph. Who or what will I write about? Why am I writing about this subject? Who will read my paragraph? What kind of paragraph should I write?

Create five word problems using two digit by two digit multiplication and three digit long division dividends.

### i-Ready

**Types of Figurative Language**

Create a Figurative Language poster by illustrating at least 1 examples of each (idiom, alliteration, onomatopoeia, simile, and metaphor), by illustrating and explaining their literal meaning.

### Brain POP

**Read for 20 minutes using either a book at home or selecting a book from MackinVia on Launchpad.**

Login through Launchpad from any device.

1. Watch a video on a Social Studies or Science topic you learned about.
2. Take a “Graded” quiz.

### Keyboarding

**Complete one 20 minute session.**

Login through Launchpad from any device. Works best using Google Chrome browser. Compatible devices: Laptop, Desktop, or an iPad or tablet with a full external keyboard.
