How to use QuickTip

• **Install** the Fulton County Schools App in Android or Apple Device
• **Select** the “QuickTip” icon on the App.
• You will see a form to choose your school and enter your message or “tip.”
• Click “**submit**”
• Safety & Security will receive the message immediately and begin working with schools and departments to verify and resolve reported issues.
• Contact information is optional.
• See an issue? Report it! Let’s work together to keep our schools safe.
