Parent Meeting
May 13th and 14th

Thomas Garrett, Principal
Agenda

- Ending Teleschool Plan
- Student Pick Up Plan
- Beginning Options for 2020-2021
- Changes that may occur in 2020-2021
- Student Celebrations
- Question and Answer
Tele School Plan

8 May: Per the district, no new assignments after May 8th

11 May: The week of May 11th, teachers will assign fun activities and obtain non-returned work for students who are missing assignments.

18 May: The week of May 18th, the students will participate in their respective grade level celebrations and teachers may complete other activities with the students.

Fri. May 22: The official last day for students is Friday, May 22nd.
Pick Up Plan

Students will pick up purchased field day t-shirts, purchased yearbooks (except 5th grade who will all receive a free yearbook) and return media center books that they may have at home. Students will receive all essential items (medicine, refunds, and etc). All other items will be given to students at a later date (writing journals and things they may have left in the room).

Please contact your child's teacher if they left any items in the classroom deemed essential. Teachers are packing those items in zip lock bags for distribution.
Beginning Start Options

01
Option 1: Traditional Option: Students will begin the year as they historically have in the past.

02
Option 2: Remote Option: The district will operate school as we currently are conducting classes due to COVID-19 not fully under control.

03
Option 3: Blended Learning: Students will come to school in assigned cohorts on assigned days and the other days they will participate in remote learning.
2020-2021 Changes

1. **Budget:** We will operate with 14% of the allotted budget for next year. Furloughs and RIFs have not been discussed at the moment. Essential items will only be approved.

2. **Enrollment:** Based on the predicted recession, we may lose children as parents may not be able to afford to be in Metro Atlanta.

3. **Cleaning:** We will implement new CDC guidelines in every day practice. We will have cleaning drills next year as custodians will clean high frequent areas often during the day.

4. **Technology:** If we begin school as traditional or blended, we will have remote drills and days to ensure students are prepared for local term days at home if we have to Shelter in Place.

5. **Assemblies:** We will not have non-essential assemblies and performances unless COVID-19 has cleared. We also will not take field trips unless cleared of COVID-19.
Student Celebrations

Pre-K: May 21 School Story @9:00 and May 22@9:00 Class Story

K: May 18th @ 12:00 (noon)

1st: May 19th @9:30 AM

2nd: May 19th @1:00 PM

3rd: May 20 @11:00 AM

4th: May 20 @7 PM

5th: May 20th @12:00 (noon)
Questions and Answers
THANK YOU!
