2017-2018 School Year**

Laurie Woodruff, Principal

Andrea J. Smith, Assistant Principal

Dear Parent/Guardian:

We have been notified that our school qualifies to receive federal funds under the Every Student Succeeds Act (ESSA), formerly the Elementary and Secondary Education Act of 1965 (ESEA), for the above indicated school year.

Our school is eligible for the following:

Schoolwide Title I Program: Schools may utilize funds under Title I, together with other federal, state, and local funds, in order to upgrade the entire educational program in schools which meet the threshold for the percentage of students who are from low-income families.

We look forward to your involvement in school activities and your child's education. You will receive notices and information throughout the school year to keep you informed about the progress of your child and the status of the school in making progress toward helping all children meet high academic standards. We also look forward to your attendance at school meetings when we will discuss the development, revision, and implementation of our Title I Schoolwide Program Plan.

You are an important partner in our effort to provide the best education possible for your child. Please call the school if you have any questions or would like additional information.

Respectfully,

Laurie Woodruff
Principal
