Students can access iRead through Launchpad. Once in Launchpad, students will see an HMH icon.

iRead can also be accessed on an iPad. The app is available in the Apple Store. Search for HMH iRead for Schools.

Setup the App: Please click the link to the right to view directions for how to install the iPad app.

Please click the link to the right to learn about iRead. You may also watch the iRead commercial linked on this page.

iRead provides targeted instruction and practice with letter recognition, phonics, word recognition, fluency and more.
