Our Clubs and Programs

Yearbook Club
The Yearbook Club consists of 4th and 5th grade students who have expressed an interest in photography and journalism. Students learn how to take meaningful pictures that tell a story. Our yearbook is a photographic journey through the school year. The students of the yearbook club learn how to develop a product from beginning to end. They brainstorm, proofread, revise and then publish the final product, creating memorable moments captured in our school's annual yearbook. This club meets after school, one day a week.

WAPR News Crew
We have students who write, produce, and serve as anchors for our WAPR News broadcast. Each student wears their school uniform, maintains good grades and excellent behavior, and demonstrates Randolph pride. The broadcast is shown in every classroom daily at 7:40 a.m. Students are in control of running the entire broadcast. We hope you can tune in soon, and learn about the great things that are happening here at A. Philip Randolph Elementary School.

Helen Ruffin Reading Club Students work together on teams to prepare for the Georgia Helen Ruffin Reading Bowl. Students work together to test their knowledge of selected books. The students meet one day a week and read books listed on the Georgia Book Awards Nominees list and The Georgia Peach Teen Award Nominees list. The Helen Ruffin Reading Bowl will be held during a selected date in second semester.

Extended Learning Tutorial Program
Our Extended Learning Program involves students in grades 3rd and 5th. The classes meet after school two days a week. The classes are taught by our own certified teachers. The program focuses on GA Milestone preparation in the areas of both reading and mathematics.

Junior Beta Club Junior Beta Club is a National Honor Organization for grades five through nine. The vision of the National Beta Club is to develop and nurture individuals by providing opportunities and experiences enabling them to demonstrate the ideals of character, achievement, service and leadership in a global community.

Math Bowl Club
The Math Bowl Club consists of students in grades 3rd through 5th. Interested students are afforded the opportunity to try out for our Math Bowl Team. After tryouts, each grade level has a team consisting of three members. The members practice weekly with certified teachers to fine tune their math skills. All practice sessions prepares them to represent Randolph Elementary School in the South Fulton Math Bowl competition. This competition includes a team component, as well as, an individual component.

Science Olympiad Club
The Science Olympiad Club consists of students in grades 3rd through 5th who work together in teams to prepare for Fulton County’s Science Olympiad. Students work in teams of 2-3 through 18 different S.T.E.M. activities. Coaches serve as facilitators as students use inquiry based learning and the Design Model to solve these tasks. The Science Olympiad competition is scheduled to be held in the March.

**Randolph Dance Ensemble**
The Randolph Dance Ensemble consists of 3rd, 4th, and 5th grade students, interested in learning the basics of African and modern choreography. Students must audition to join. Rehearsals are held afterschool ends, one day a week. Performances are held throughout the school year.

**Enrichment Program**
The Enrichment Program is designed to provide challenging, thought provoking activities for all students. The programs are free and fee based. Parents are required to complete a registration form and select the program that is of highest interest to their child. Each programs runs for ten weeks each semester. Last year programs included: Art, Dance, Engineering, Mentorship, Fitness, and much more. This year several programs will be offered. Please contact your child’s teacher or the front office for 2016-17 program offerings.
