

## Hello Summit Hill Families,

Even though we are not in the school building, your Counseling, Psychology, and Social Work (CPSW) staff are all still here to support you and your child(ren). We want to provide support in any way we can, whether with challenges linked to our current situation (i.e. food, shelter, and mental health), or with everyday challenges like parenting, social/emotional/mental health concerns, or outside resource referral. CPSW staff contact information is listed below. We will respond to nonemergency calls and emails within 24 hours. Staff have limited access to email and phone outside of regular school hours. Let us know how we can support you!
