Something going on that needs to be shared? Use **Quick Tip!**

Individuals can quickly and anonymously report situations and issues (pictures can be included) that may have occurred within schools using Quick Tip – a function available through www.fultonschools.org and the FCS Mobile App.

**How to use Quick Tip:**

- **Students, parents and teachers** can access the Quick Tip icon on the district website and via district devices.
- **Alternatively**, the “Quick Tip” icon can also be accessed through the FCS mobile app.
- You will see a form to choose your school and enter your message or “tip.” Click “submit.” Contact information is optional.
- Safety and Security will receive the message immediately and begin working with schools and departments to verify and resolve reported issues.
- **See an issue? Report it!** Let’s work together to keep our schools safe.
