We/I understand that per The Georgia High School Association a Pre-participation Physical evaluation must be performed by a physician to medically screen each student who participates in the interscholastic athletic programs of the Fulton County School District. We/I understand that a basic medical screening (the required physical exam) is general in nature and limited in scope and does not indicate or assure me/us that my/our child is completely free from impairments. If I/we wish for a more detailed physical exam to be performed upon my/our child then it is my/our responsibility to arrange and to pay for such an exam. If this more detailed exam is performed, it is my/our responsibility to notify the Fulton County School District, and it’s appropriate employees, of any potential medical problems uncovered by any physical exam given to my/our child other than the general physical required by the school system for athletic participation. STUDENT/PARENT CONCUSSION AWARENESS FORM

DANGERS OF CONCUSSION
Concussions at all levels of sports have received a great deal of attention and a state law has been passed to address this issue. Adolescent athletes are particularly vulnerable to the effects of concussion. Once considered little more than a minor “ding” to the head, it is now understood that a concussion has the potential to result in death, or changes in brain function (either short-term or long-term). A concussion is a brain injury that results in a temporary disruption of normal brain function. A concussion occurs when the brain is violently rocked back and forth or twisted inside the skull as a result of a blow to the head or body. Continued participation in any sport following a concussion can lead to worsening concussion symptoms, as well as increased risk for further injury to the brain, and even death.

Player and parental education in this area is crucial – that is the reason for this document. Refer to it regularly. This form must be signed by a parent or guardian of each student who wishes to participate in GHSA athletics (one form for each sport is required). One copy needs to be returned to the school, and one retained at home.

COMMON SIGNS AND SYMPTOMS OF CONCUSSION
Headache, dizziness, poor balance, moves clumsily, reduced energy level/tiredness
Nausea or vomiting
Blurred vision, sensitivity to light and sounds
Fogginess of memory, difficulty concentrating, slowed thought processes, confused about surroundings or game assignments
Unexplained changes in behavior and personality
Loss of consciousness (NOTE: This does not occur in all concussion episodes.)

BY-LAW 2.68: GHSA CONCUSSION POLICY: In accordance with Georgia law and national playing rules published by the National Federation of State High School Associations, any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion shall be immediately removed from the practice or contest and shall not return to play until an appropriate health care professional has determined that no concussion has occurred. (NOTE: An appropriate health care professional may include licensed physician (MD/DO) or another licensed individual under the supervision of a licensed physician, such as a nurse practitioner, physician assistant, or certified athletic trainer who has received training in concussion evaluation and management.

a) No athlete is allowed to return to a game or a practice on the same day that a concussion (a) has been diagnosed, OR (b) cannot be ruled out.

b) Any athlete diagnosed with a concussion shall be cleared medically by an appropriate health care professional prior to resuming participation in any future practice or contest. The formulation of a gradual return to play protocol shall be a part of the medical clearance.

c) It is mandatory that every coach in each GHSA sport participate in a free, online course on concussion management prepared by the NFHS and available at www.nfhslearn.com at least every two years – beginning with the 2013-2014 school year.

d) Each school will be responsible for monitoring the participation of its coaches in the concussion management course, and shall keep a record of those who participate.

I HAVE READ THIS FORM AND I UNDERSTAND THE FACTS PRESENTED IN IT.

Student Name ____________________________ School ____________________________

I understand that I am responsible for reading and understanding the information in the *Athlete/Parent Handbook for GHSA Sanctioned Interscholastic Athletic Activities* (the "handbook"). Parents/guardians are responsible for ensuring their students understand this information.

I understand I am responsible for downloading or accessing a copy of the handbook from the school’s website or from the District Athletic Office website, found at www.fultonschools.org. If I cannot access the handbook, I will ask for a copy from the coach, or the front office of the school.

I understand that this handbook contains required forms, and rules and behavioral expectations for student participants that students are expected to follow at school as well as off campus and in the community. I understand that failure to follow these rules may result in suspension from a team or activity, reduction in participation, and removal from a team or activity, as well as other school sanctions. I understand that participation in extracurricular activities is a privilege, not a right, and student participants are expected to exhibit exemplary behavior and leadership skills at school and in the community, or that privilege will be removed.

I understand that the most up to date GHSA rules and information is available at www.ghsa.net.

I understand and agree that student directory information, as discussed in the Directory Information Statement in the Code of Conduct & Discipline Handbook which I received upon enrollment and each school year, may be released as discussed in the Directory Information Statement for purposes related to GHSA Interscholastic Athletic Activities.

If you disagree with this release, please contact ________ directly, but please note that activity participation may require public performances and public acknowledgement of student and his/her identity.

If I have any questions about information contained in this handbook, I will ask a school administrator or coach to discuss those questions with me. Failure to sign and return this form does not relieve me from complying with and understanding the information enclosed in the handbook.
