AHS TeleSchool Reminders:

- The Remote Learning Hotline (470-254-2300) is live to answer technical assistance questions, such as resetting a password or finding a student ID number. The hotline is open 9 a.m. to 3:30 p.m. during the regular school week, Monday through Friday.

- All teachers, their contact information and their digital platforms for Teleschool are listed on the main page of our AHS website: https://school.fultonschools.org/hs/alpharetta/Pages/default.aspx

- Students, remember that it is important to check your FCS issued Outlook e-mail account each day for important communication. Students should go to: portal.office.com
  Login/Username: XXXXXXXX@fcstu.org. [where XXXXXXXX is the Student’s ID#] Password: Student’s current password
  Once in the portal, Students should open Outlook

- Frequently asked questions are posted to the Remote Learning website: fultonschools.org/RemoteLearning.

- Parents and educators are being inundated with FREE resources to keep students in learning mode and stave off cabin fever. While they don't cover everything, Common Sense Media has been rating and reviewing books, movies, TV shows, websites, and apps for quite a while. They are now even rating YouTube channels! (Fulton County uses Common Sense Media for our digital citizenship curriculum; they are a respected source of information.)

- You may not have seen this interview with FCS Superintendent Looney: How to keep kids focused while learning at home during coronavirus pandemic (FOX News)

- NEEDS: Please don’t hesitate to contact Allison Kornegay, our graduation coach, with any questions or needs. Her email is kornegay@fultonschools.org or you can call or text at 678-632-2966.

Thank you, Raiders!!
