Principal's Update

- **Operation Graduation**

Currently, Senior Success Managers are providing guidance to 4-5 students each. A color-coded system has been established to identify student status, as it relates to their probability of graduating in May.

 - Green means students are “on track” for graduation
 - Yellow means that students are missing 4 or more credits
 - Red means that students won't be able to graduate this school year from Banneker and they should consider McClarin as an option

Mr. Rozier asked whether Success Managers can contact students' parents. Mr. Garner said “yes”.
- **Sustainability, as it regards grant funding**

Mr. Garner explained that the SIG Grant funds many pivotal programs and activities at Banneker High School, including Operation Graduation, Professional Development, Workforce Development, Saturday School, and STEM Instructional Programming. However, sponsorships are needed to sustain these and other programs beyond the SIG Grant.
