

2019-2020 Student Parking

ELIGIBILITY: To be eligible to apply for a student parking permit

- Parking is assigned only to 11th and 12th graders. No parking will be given to 10th graders regardless of the number of credits.
- Students must have less than six (6) unexcused absences in the semester they apply.
- Skips to class (unexcused absences) or leaving campus without administrative or parent permission will result in a suspension or revocation of your parking privilege.
- Excessive tardies or absences to 1st period may result in a suspension of your parking privilege.
- **Please note that meeting all the eligibility requirements still does not guarantee you parking if capacity is reached. If you apply and meet the requirements but we are at capacity, your name will be placed on a waitlist. Seniors on the waitlist get first priority.**
