Below is an update on the distribution of lunches next week and both of the food pantries. If anyone has any questions, please do not hesitate to reach out to me either via email or you can call my cell at 678-938-1312.

LUNCHES FOR STUDENTS DURING SPRING BREAK

Jason Sheetz who owns Under the Cork Tree along with Hammocks Trading Company has committed to making 500 lunches/day to cover Mon and Wed for the South End. Butch Elmgren, the new owner of Thos. O'Reilly's Pub has committed to making sandwiches on those same days for the North End. Please note - they will be able to hire back some of the staff they had to let go to make our sandwiches. Yay!!!

As for Friday - we have that covered by some other sponsors. :o)

We are currently working to supplement the cost of these lunches. There is a go-fund me set up to raise those funds and it is on our FB page set up by Jodi Hirschfield. Thank you Jodi!

In case you did not know, there are about 4,000 kids total who qualify for the reduced lunch programs in our City. From the Principals of Lake Forest, Ison Springs and Sandy Springs Middle (where the lunches are being distributed) they have informed us that only about 500 students for each end have been showing up to collect their free lunches during this shutdown.

Lastly, we will be needing volunteers to help distribute curb side next week during break. Below is the sign up genius if you or anyone you know would like to volunteer. Please share this email with everyone! :o)))
