

Documents Required for Registration

1. Report card with proof of grade placement - withdrawal form from previous school listing classes and grades at the time the student withdrew
2. Copies of recent standardized test scores (if available). This information is necessary for placement into classes as well as qualifying for the world language classes.
3. Complete mailing address of last school attended
4. A copy of an Individual Education Plan, eligibility reports, psychological test reports, and/or qualifying test scores that were used if the child is receiving special education and/or talented and gifted services
5. Specific written documentation from the student's former school confirming recommended placement in any advanced class (It is the parent's responsibility to provide this information.)
6. GA Certificate of Immunization Form 3231 (This certificate is available from the local health department. Please read the enclosed information letter regarding immunization/health requirements.)
7. A GA Certificate of Eye, Ear, and Dental Screening Form 3300 is required for students entering a Georgia school for the first time. (This certificate is available from the local health department. Please read the enclosed information letter regarding immunization/health requirements.)
8. Certified copy of Birth Certificate (We will make a copy of your copy.)
9. Social Security card or signed waiver
10. Two documents proving your residency within the Webb Bridge district. Please read the enclosed information letter regarding Residency Verification.
11. Proof of guardianship (if applicable)
